EDUCATION			
Course	Institution	Performance	Year
M.Sc. Economics	Indian Institute of Technology, Kanpur	08.47/10.00 (First semester)	2025-27
B.A. (H) Economics	Kamala Nehru College, University of Delhi	08.27/10.00	2021-24
AISSCE (Class XII)	The Mother's International School, New Delhi	95.8%	2020-21
AISSE (Class X)	The Mother's International School, New Delhi	95.4%	2018-19
WORK EXPERIENCE			
Research Intern Leap Insights Foundation, under Dr. Megha Patnaik			Dec 2025
- Conducted data cleaning, regression modelling, and data visualisation in R using the IHDS-II dataset and ASUSE 2023-24 dataset. - Served as Teaching Assistant for a two-day hands-on econometrics workshop. Assisted participants with R programming, debugging, and interpretation of outputs.			
Research Intern Raisina House			May 2024 – June 2024
Authored 2 articles and engaged with senior government officials, including the Danish Ambassador to India, in policy discussions, contributing economic perspectives on multilateral trade and investment opportunities. - Analysed India's bilateral trade agreements and foreign policy strategies using data from World Bank, IMF, and RBI, and illustrated market shifts and economic linkages within South Asia.			
Director of Research 180 Degrees Consulting, KN (World's largest university-based consultancy in 35+ countries)			Jan 2023 – April 2024
Led a team of 35+ consultants, overseeing the execution of 5 consulting projects, utilising market research and data-driven insights to optimise business strategies. Celebrated being awarded by the Global Leadership Team for consistent development. - Managed curation of 30+ weekly research reports, including case studies on SDGs. Reached 2k+ digital impressions on social media.			
POSITIONS OF RESPONSIBILITY			
Head of Research Angel Investment Council, Women's India Chamber of Commerce and Industry			July 2023 – Dec 2023
Spearheaded the formation of the branch and did comprehensive industry research on market trends and investment strategies. Directed a team of 15+ members in curating 25+ financial concept notes and 10+ case studies analyses.			
Student Council - Social Media Head Department of Economics, Kamala Nehru College			Jan 2022 – Aug 2022
Created financial and economic content for digital platforms, to engage an audience of 1,500+ followers across platforms. - Involved in organising the annual Economics fest, and facilitated student engagement and support.			
ACADEMIC AND EXTRA CURRICULAR ACHIEVEMENTS			
Academic Achievements	- GATE (Economics) 2025 – AIR 16 - IIT JAM (Economics) 2025 – AIR 76 - Academic Excellence Award for the academic year 2024-25 – Master's programme - Institute rank 2 – Bachelor's programme - Selected for a 3-day Optimisation and Game Theory workshop at St. Stephen's College (2023). Attended stimulating lectures on advanced topics by Prof. Arunava Sen, Prof. C. S. Lalitha, and others.		
Projects	- Replicated and extended "An ARIMA-LSTM Model for Predicting Volatile Agricultural Price Series with Random Forest Technique", a time-series forecasting study using Python, including raw data cleaning, base-year normalisation, ACF and Random Forest lag selection, estimating ARIMA, GARCH, LSTM, and hybrid ARIMA-LSTM based models, conducting 6 econometric tests, and model evaluation using RMSE, MAPE and MASE. A Comparison of the Crop Residue Management Policies of India and China: Focused on enforcement, subsidy mechanisms, and technological integration. Compiled & processed 1997-2022 data from Global Fire Emissions Database to assess CO₂ emissions trends and evaluate policy effectiveness, and proposed context-sensitive recommendations. Impact of Climate Change on Income Inequality: Used R to analyse cross-country climate and income data, developing visualisations to assess inequality impacts and policy implications. - Implemented Value Function Iteration (VFI) in MATLAB to solve a dynamic programming growth model, performing Bellman equation optimization, grid discretization, convergence diagnostics, and numerical–analytical steady-state validation. Teenage Depression as a Sociological Phenomenon: Collected primary data via questionnaire and interviews, and conducted data analysis to arrive at inferences. Assessing the Success of Leniency Provisions of the CCI in Uncovering and Deterring Cartel Activity: Performed data-driven analysis of CCI cartel cases using Excel to assess the effectiveness of leniency policies and identify enforcement trends. Recession Grips the Fourth Largest Economy - What Happened in Japan? : Published in Ecocentric, 2024.		
Competitions and Fellowships	[Top 10/570+]: Finalist, Policypher, Hansraj College - Successfully navigated Quiz round and developed policy recommendations using economic modelling and empirical research. 2022 [Top 20/400+]: Fellowship, Financial & Investment Cell, Hansraj College - Worked on portfolio management, corporate finance case studies, and market simulations. 2021		
Volunteering	Lance Corporal, National Cadet Corps, KNC: Managed 90+ cadets, overseeing budgeting, strategic planning, and event execution. Participated in cleanliness drives and volunteered at public events. 2021-2023 - Kechala, Odisha: Tutored first-generation students of an indigenous tribe over 11 days. 2019
